Gan Shalom Day Camp

July 13, 2012
Week 2

Dear Family,

Wow! What an awesome second week of camp. We had such a blast ... I don't even know where to begin!!

On Monday, we enjoyed Sports with Ryan, made our own playdough, had fun with black magic postcards and enjoyed some outdoor time.

Tuesday brought about more fun and excitement. We baked and decorated Friendship Cookies. Oh boy were they so yummy! We had a cool time splashing around at the splash pad!

Wednesday was another wet water day at the Splash pad. We are so lucky we get to go there twice a week! It was awesome to paint with feathers and decorate special albums. Our counselors did a cool science experiment with us and turned clear water into all different colours with food colouring! It was almost like magic!

When Thursday came around, we knew more fun was in store for us! We made the most amazing work of art! We put a canvass in a special box, splattered paint in the box and added some bouncing balls to it. Then we shook the box real hard so the balls can dance around to create a beautiful artwork! Be sure to hang mine up in the house! We loved singing and dancing to Melissa's special songs and stories.

Friday. What? Did we say Friday already? The week just flew by! Friday was overly incredible! We planted beans, had a wonderful Shabbat Party, jumped in the Jumping Castle, made delicious Challah with sprinkles and enjoyed petting all the little friend animals from Whimz!!

Lots of Love,

Your sweet little one at camp

Please have your child come to camp in his/her swimsuit and camp t-shirt on Tuesdays and Wednesdays. We will change him/her into a swimmer (if in diapers). Remember to apply sunscreen! Pick Up on Tuesdays and Wednesdays will be at the Splash Pad.
