Week 5

Dear Family,

Week 1 of Session 2 has been so awesome!

This week's theme was "Our World"!

On Monday, we welcomed some new children into our bunks. We decorated our names on special butterflies. We enjoyed a wonderful session of sports with Coach Ryan.

On Tuesday, we got to have fun scratching off special Star of David pictures to hang from our backpacks. We also decorated cookies with blue and green frosting and tried to make it look like the world! We of course had a splashing time at the splash pad.

On Wednesday, we learn a little about recycling and made paper bag puppets. We did the coolest science experiment ever! We took a couple of white roses and placed their stems into coloured water. The next day, each rose was a different colour! We were so proud that our experiment worked!! Once again, we had fun at the splash pad.

On Thursday, we decorated and designed our very own snow globe. They are so much fun to play with. We enjoyed some outdoor play and learned a little about the different seasons.

Friday ended the week with lots of fun activities! We loved playing with the Challah dough, then shaping it to make Challah. We had a beautiful Shabbat party, singing our favourite Shabbat songs, drinking grape juice and eating yummy fresh Challah. We bounced on the jumping castle. Our special Friday visitor was Elyssa from Drama Mama's. We had such a great time with her and did a cool art with her as well.

Looking forward to next week ... Israel Week!

Shabbat Shalom!

Lots of Love, Your sweet little one at camp
